NorthBay Statement:

NorthBay is deeply saddened by the death of a student from Baltimore Montessori Public Charter School yesterday who experienced a medical emergency during a field trip to NorthBay. We are currently awaiting reports to determine what occurred and how best to support the family and our staff during this difficult time.

This is a very challenging situation, and we are committed to providing the support and care they need.

Please keep the family of the student in your thoughts and prayers.

Thank you,

Neil Dampier
Executive Director
