

June 5, 2022

This past week, Athumani Brown, a seventh-grade Baltimore Montessori Public Charter School student, suffered a significant medical event during a field trip to NorthBay. As a result, Athumani tragically passed away. Our thoughts and prayers are with the Brown family, friends, and the Baltimore City Public School community, as we collectively mourn and process this devastating loss.

NorthBay is in close contact and working collaboratively with Baltimore City Public Schools in the aftermath of this tragedy. We are conducting a comprehensive review of the incident as part of our commitment to transparency, safety, and to Athumani's family and school community. This is a deliberate process that requires urgency, respect, and thorough evaluation. Findings will be communicated directly with the family, Baltimore City Public Schools and relevant parties in due course.

We thank you for your support of Athumani's family, Baltimore Montessori Public Charter School, and NorthBay during this difficult time.
