Subject Line: Our Products and COVID-19

Dear <Name of customer>:

Our records show you bought Wellness Warrior products containing vitamin D or zinc. The brand names include Wellness Warrior Vitamin D, Wellness Warrior Zinc, Wellness Warrior Kids' Multivitamin, Wellness Warrior Boost Pack, and Wellness Warrior Immune Pack.

Wellness Warrior Products, including Wellness Warrior Vitamin D and Zinc, are not intended to prevent, treat, mitigate, or cure COVID-19. According to the National Institutes of Health, there is insufficient evidence to determine whether vitamin D or zinc effectively treats or prevents COVID-19.

Talk to your doctor about what treatments, products, or doses are right for you. Don't stop taking a prescription until you discuss it with your doctor. You can visit the NIH's website to learn more about COVID-19: <https://covid19treatmentguidelines.nih.gov/supplements/> and can learn more about COVID-19 vaccines at: <https://covid19.nih.gov/covid-19-vaccines>.

Sincerely,

The Wellness Warrior Team
